Subject: Microsoft Settlement

Dear Atty. General Ashcroft,

I am writing to commend the DOJ in it's wise settlement with Microsoft. I feel this needs to be wrapped up and completed and quickly as possible for the sake of the technology sector, our economy and Microsoft to restore the status quo.

If it is at all possible for the DOJ to intervene with the nine states still pursuing further remedies of Microsoft that would also be supported. Without Microsoft we would not have as a tool in every home the PC, we never would have had the ease of use we have as well. I feel it is a HUGE mistake to a country to go after it's crown jewel. Happy New Year.

Sincerely,

Candace Hawthorne
